ARCHITECTURE

Giant Dolls' House Installation – Workshop

Downstairs at The Department Store, 248 Ferndale Road London SW9 8FR

12 - 4pm, 16th June 2018

Come and make a dolls' house in a shoebox contributing to the LFA2018 Giant Dolls' House in Brixton and to raise money for Shelter. The drop-in workshop is for children, parents, grandparents and other adults of all ages. The box is yours, make it anything you want it to be: there are no rules. Develop your ideas by 'just making'.

Please bring a shoebox if you have one, though NO CORRUGATED CARDBOARD boxes as these are difficult to hang. The installation will remain on show for the rest of the week. Lala Thorpe from Artescape, a long-time collaborator with the Giant Dolls' House, will run the workshop. The event is free, though we ask for a contribution to the Housing and Homelessness Charity Shelter.
